EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Andrew Hagerty on 2/06/04.

The application has been amended as follows:

Non-elected claims 1-7 and 14-15 have been canceled.

Claim 13, line 3, – being retained therein by a locking bar – has been inserted after "terminals"; line 7, " a cover enclosing said insulative housing, said cover " has been changed to – a cover comprising a top half portion and a second half portion for enclosing said insulative housing, said top half portion –.

The following is an examiner's statement of reasons for allowance:

Claim 13 is allowable over the prior art of record for at least the reason that the prior art does not teach or suggest the conductive terminals being retained in the insulative housing by a locking bar as set forth in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hien D. Vu whose telephone number is (571) 272-2016. The examiner can normally be reached on 9-5.
